- PL – Paternity Leave
- LOA – Leave of Absence
- KLAY – Service Provider
- VIVERO – Service Provider
- TR –Total Rewards

4. Eligibility

---

5. Salient Features

HPE has partnered with KLAY (https://www.klayschools.com) and VIVERO (https://www.viverointernational.com/) to provide day care services to eligible team members at select locations.

This benefit will subsequently be introduced at other locations within India where HPE has its presence.

6. Process to claim

Eligible team members are required to raise an People Care ticket and submit a copy of the birth certificate of the child along with their people leader's email approval to claim benefits under this policy. Once validated by the People Care team, the team member needs to fill in the application form and submit necessary documents to the below-mentioned KLAY or VIVERO representative who will then confirm enrolment.

- **KLAY POC – Sindhu**
  - Ph.: +91 96635 38800
  - Email: sindhu.m@klay.co.in
- **VIVERO POC - Veenu Khandelwal**
  - Ph.: +91 99202 68555
  - Email: veenu.khandelwal@edvancepreschools.com

  Contact numbers for the respective Vivero centers are shared in the list of centers.
- Additionally, team members are also required to sign and submit the parent undertaking attached to this policy as Annexure 1 to the People Care team. The approvals will take place only when the undertaking form is signed and submitted.

- All enrolments will commence from the 1st of every month provided the enrolment is done before the 20th of the previous month. A confirmation email will be sent to the team member once the enrolment is confirmed by KLAY or VIVERO within six working days of submitting the completed set of documents.

- A list of day care centers which will be covered under this policy is attached as Annexure 2 to this policy.

- KLAY/VIVERO has centers apart from what has been mentioned in the annexure. In case a team member would like to avail of a center which is not specified in the annexure, they need to reach out to KLAY/VIVERO directly. HPE will not bear the cost or responsibility if the team member decides to avail the services of a center that is not listed in Annexure 2.

- Women team members will be permitted to visit the centers up to four times in a day as required under the Maternity Benefit Act. The normal working hours of the center will be from 8:30 am to 7:30 pm.

- Workers who follow hybrid model the first preference needs to be the center closest to their residence and for office worker the preference needs to be the center close to the office location. In case of seats not being available at the selected center, the pre-school would suggest an alternative pre-school near the chosen center. Team members can either opt to enroll their child at the suggested play-school/day care center or opt to stay on wait list. The center would allocate the seat as soon as there is availability.

- HPE will bear the day care monthly fees for the duration that the team member's child is in the day care center subject to eligibility as defined in the policy. Fees will be paid directly to KLAY/VIVERO by HPE. The above fees would exclude cost of Academic fee, Activity Fee, Registration Form, Curriculum Kit, Annual Fee, transport, food, any other consumables, curricular activities, and extra hours beyond what is specified under this policy. These costs are to be borne and paid directly by the team member to KLAY on bi-monthly basis. For Vivero, the payment shall be made in 3 terms in advance. The team member will not be permitted to carry the child in company-provided transport or claim reimbursement from the company for the pick-up and drop of the child each day. Refer the FAQs for details on fees payable by team members.

- You will be required to pay perquisite tax as applicable. The cost of this benefit will be added to your annual compensation and taxed appropriately considering the tax bracket you fall in. Please reach out to payroll for any further details on the tax implications

- This benefit will automatically cease to apply once the child completes the age of four years. Team members can continue a future arrangement with KLAY or VIVERO directly based on mutual agreement for which HPE will bear no liability or cost. KLAY/VIVERO will intimate those parents whose child is completing 4 years in advance.

- For team members who are transferred to other HPE locations under the company's transfer policy, the eligibility will be as per the above policy and will be limited to the locations mentioned in the annexure. Those on leave of absence (LOA) will not be eligible to claim the benefit under this policy.

- In case, the team members want to discontinue the daycare services, a month's notice is required for the same to the Day care vendor as well as the People Care team.

- On resignation/separation, the team member will need to raise an People Care ticket and inform KLAY / VIVERO one month in advance so that necessary updations are made in the system.

Other Considerations:

- Team members who are permitted by the organization to work from home post their maternity/paternity leave, will not be eligible to claim benefit under this policy.

- The team members are requested to ensure compliance with crèche rules as may be communicated by KLAY/VIVERO from time to time.

- Team members are requested to carefully read and understand the terms and conditions of this policy and FAQs. Also, any fees payable by team members directly to the vendors would need to be paid on time. Apart from the day care fee, HPE would not be responsible for any other fees not covered under this program.
